FROM THE CHAIR

"Those who contemplate the beauty of the earth find reserves of strength that will endure as long as life lasts." (Rachel Carson) Irene has left and her memories will live on. But right now the trees are gorgeous. I hope everyone takes some time from the Irene cleanup and enjoys the "beauty of the earth" because the fall leaves are with us such a short time.

TODAY'S MEETING

Thanks to all who helped in any way with the bazaar. It was a big success and the Garden Club made a major contribution toward that goal.

At today's meeting, we will repair Christmas ornaments for the trees at the clubhouse, Post Office, and Town Hall. (We need four volunteers to put up the displays and four to take them down, preferably the 1st or 2nd of December and in early January.)

Other items on the agenda

- We will discuss and evaluate our efforts so that we can best direct our efforts two years from now at the next bazaar.
- We will discuss raising the dues to \$10.
- The 2012 slate of officers will be presented.
- There will be sign-up sheets for next year's activities.
- Changing Yard of the Month to Yard of the Season will be discussed.
